B-52 Spinner Tables

The B-52 Spinner is a deco style piece that looks “plane” cool. This design is fabricated from an aerodynamic nose assembly gear box cover that protruded from each of the eight Pratt & Whitney J-57 jet engines. The spinner and 3/8” aluminum supports are mirror polished. The tempered glass is 3/8” thick and is available in your choice of diameters up to 40”.

Price: \$2,875

Rental Price: \$575 for 1 week rental

727 Valet Cowling Desk

Fabricated from an authentic Boeing 727 cowling nacelle that once covered the Pratt & Whitney JT8D engines with 14,000 pounds of thrust. The cowling is sanded and polished to a mirror finish with a black stained maple desktop and topped with 1/8" glass. The cowling comes optional with casters, elevating the desktop for a stand-up workstation

Price: \$6,800

Rental Price: \$1,300 for 1 week rental

C-130 Dining / Conference Table

Let your imagination soar as you sit or dine at a magnificent MotoArt C-130 table. At 12' long and 63" wide, the flap dimensions are truly impressive. The ends and internal mounting points are powder coated in crinkle black to match the custom fabricated "I" beam legs. The "1/2" tempered glass top is supported by 1" thick Plexiglas stand-offs, allowing a complete view of the rivet detail and mirror polished aluminum finish.

Price: \$15,000

Rental Price:

\$3,000 for 1 week rental

TBM Avenger Table / Desk

Still looking for the “Lost Squadron” ? – Look no further than the MotoArt TBM Avenger Line. Avenger Elevators measure out at 10’ with a unique frontal turn. Rudders are similarly shaped and measure out at 8’ 6” in length. Each table has a finely crafted maple wood base, a ½” tempered glass top and is powder coated to your color specifications. This is an extremely limited edition piece.

Price: \$11,500

Rental Price: \$2,300 for 1 week rental

B-25 Bomber Desk/Table

Be one of the lucky few to experience the signature MotoArt B-25 Bomber Desk/Table. This very limited edition series consists of Rudders and Elevators from the famous "Mitchell" bomber. The skeleton aluminum frame once hidden by cloth is now clearly visible and beautifully finished with a metallic powder coat color of your choice. The desk surface is ½" tempered glass with polished edges following the outline of this rare piece. The base and legs are designed to compliment the unit and are available in maple stain.

Rudder: 8' 5" L x 3' W
Elevator: 9' x 35" W

Rudder Price: \$11,500
Elevator Price: \$15,000

Rental Price: \$2,300 for 1 week rental
